Student Office

- An **integrated** and **personalised support service** that brings together, in a single location, resources aimed at supporting student inclusion, thereby facilitating their transition, retention and success in higher education and at Iscte.

- Other activities that promote inclusion and success.

Mission

- To support students throughout their academic journey, considering the **diversity** of their backgrounds and needs. Through **personalised, specialised and trust-building** support, the Student Office aims to contribute to students' autonomy and full integration into the academic community, promoting their success and well-being.
